The Monroe Township Police Department is going mobile for National Night Out!

National Night Out enhances the relationship between neighbors and law enforcement while bringing back a true sense of community. It provides us a great opportunity to bring police and neighbors together under positive circumstances.

The Officers and staff of The Monroe Township Police Department will do their best to reach everyone in the community but with time restraints and Covid-19 orders we will be set up in different areas throughout the Township. If we are not set up in a location near you please feel free to choose one of the areas listed under the event schedule to drop by on October 6, 2020 and say hi!
